

Progress Report, **April 13 2021**

Site Completion: About 60%

Missing Features:

- Feed Like
- Feed View Post
- Feed Comment
- User View Liked Posts
- Admin Controls (not really a priority)
- AJAX Implementation

Needs Further Work:

- Forms CSS
- Feed CSS (namely image size handling)
- Profile CSS
- A lot of Profile Backend
- Refactoring Old Code into proper OOP

Other than that, it's mostly ready
