

Progress Report, **April 13 2021**

Site Completion: About [60%](#)

## Missing Features:

---

- Feed Like
- Feed View Post
- Feed Comment
- User View Liked Posts
- Admin Controls (not really a priority)
- AJAX Implementation

## Needs Further Work:

---

- Forms CSS
  - Feed CSS (namely image size handling)
  - Profile CSS
  - A lot of Profile Backend
  - Refactoring Old Code into proper OOP
- 

Other than that, it's mostly ready
